PRESS RELEASE

Fourth Online Consortium Meeting

On Monday 25, January 2021 was held the Fourth Online Meeting between all consortium representatives of ERMIScom project (NKUA, EKO, VUB, UNWE, BAU, METROPOLIA).

The goal of the 4th virtual meeting was to discussing two main subjects:

a) the dissemination plan of the project, i.e. activities, tools, channels, procedures and reporting, as well as the coordination system within the Dissemination Committee and within the Consortium

b) the progress monitoring of the development of IOs 1-4 and IO7 indicative Agenda of the meeting included the following subjects:

The session began with the presentation of the new logo for ERMIScom project, created by BAU's graphic designer, Mr. Ümit Laçın Yalçinkaya. Mr. Yalçinkaya presented six different versions of the new logo, explaining the rationale behind its elements, and the partners were called to vote for their preferred version which will accompany all outputs, publications and management documents developed for the purposes of the project.

The second part was devoted to the newly developed ERMIScom website and the overall Dissemination Plan and activities. NKUA invited the partners to discuss the immediate dissemination actions to be implemented until the end of February 2021, when the 1st Newsletter will be publicized. The meeting closed with coordinators of IOs 1-4 and IO7 presenting the progress made in the finalization of the syllabus, the development of the chapters and the distribution of tasks.
