PRESS RELEASE

Fifth Online Consortium Meeting

The fifth ERMIScom partnership meeting took place on April 8, 2021. It was coordinated by the leading partner NKUA and attended by representatives of all partners with a role in the development of the Intellectual Outputs (NKUA, EKO, VUB, UNWE, BAU, METROPOLIA).

The meeting's agenda included the following:

1. Presentation of the course outline and working teams of the respective IOs
2. Monitoring of the progress made in the development of the IOs
3. Presentation of the formal Project Timesheet
4. Dissemination activities by the partners

The session began with the presentation of the course outline and working teams of the IOs (5-7). The second part was devoted to the discussion of the monitoring of the progress made in the development of the IOs (1-4) and presentation of instructions for the completion of the formal Project Timesheet. The meeting closed with NKUA highlighting the promotion of project's dissemination activities and arrangement of consortium's next meeting.
