

IO 2: Students' point of view

TEACHING APPROACH TO FAKE NEWS

In-class activities for discovering and verifying information

Work and research with public registries

Homework for fact checking and fake news exposure

Workshops for the main criteria and principles for discovering fake news

TEACHING APPROACH TO HATE SPEECH

Media and social initiatives against the dissemination of hate speech

Understanding hate speech used as discrimination

Ethical behavior of journalists at work

Ethical behavior of the audience online

#NotJustWords

Разговори за гумите на омраза

— ВИЖ ВСИЧКИ

Разговорите са част от проекта "Не просто думи", или "Not Just Words", в чиито рамки представители на общности, засегнати от враждебна реч, сред които ЛГБТИ активистите от фондациите „ГЛАС“ и BILITIS и Организацията на евреите в България „Шалом“, обединяват усилия с журналистическото сдружение „Асоциация на европейските журналисти - България“ (АЕЖ) за създаването на среда, която противостои на речта на омразата.
